Wasting Away Again in Manzanita Burl (Jimmy Buffs It)

*Searching for my lost fragment of bark
Some people claim that there's a catch yet to blame
But I know...It's my own damn fault*

Johnny Be Well (Vicmarc Chuck and the Jolly Bodgers)

*High above the ocean, close to Marks Nisene
Way back in the redwoods 'neath the evergreens
There stood a log cabin made of sculptured wood
There lived a turner boy named Johnny B. Well
Who never learned to read or write too good
But he could peel with that skew just like ringin' a bell*

Even Cowgirls get the Glues (Rodney Dowel)

*She's rounder I can tell you that
Sha can spin 'em all night, too
She'll raise hell about that blank she cracked
Guess even cowgirls get to glue*

Ring of Fir (Johnny Bucks)

*Lathe is a turning thing
And it makes ol' Douglas sing
Bound by wild desire
I fell into a ring of fir*

*I fell into a turning ring of fir
I went down, down, down
And the chips flew higher
And it turns, turns, turns
The ring of fir, the ring of fir*

Cowgirl on the Sander (Neil Elder)

*Old enough now, to change your grit
When so many love you does it get old?
It's the woman in you that makes you want to sand this bowl*

HeadStock (John, Roy, Dan, and Morgan)

*And maybe it's the time of year
Yes, and maybe it's the time of man
And I don't know who I am
But life is for turning*

Wolverine Man (Marshall Dillon)

*Hey, Mr. Wolverine Man, edge a blade for me
I'm not cutting and there is no place I'm going to
Hey, Mr. Wolverine Man, sharpen gouge for me
In the choc'late donut mornin' I'll come burnishin' you*

Ways to be Wicked (Long Justice and the Ewe Tubers)

*Well, you know so many
Ways to be wicked
Ooh, but you don't know one little thing
About...safety*

Man on the Moon...meh. Woman on the Lathe...Perfect (R.P.M.)

*If you believed...they put a woman on the lathe
Woman on the lathe!
If you believed there's nothing up her sleeve
Then nothing is cool*

CBN Wheels (The Rotating Stoners)

*I won't be your beast of turndom
(AKA: I won't be your knockout tool)*

*And...Mother's Little Scrapper
And...Heart of Madrone
And...alas... You can't always get what you want*

Round and Round (Perry and the Scrapers)

*Find a wheel and it goes round, round, round
As it whirs along with a happy sound
Shavings fly down to the ground, ground, ground
Beneath the lathe you truly love*

Turn Turn Turn (The Byrls)

*To everything (Turn, turn, turn)
There is a season (Turn, turn, turn)
And a time for every platter under heaven*

Dust Gets in your Eyes (The Platters)

*When your shield's not down
You must realize
Dust gets in your eyes*
